Club Membership Pack

Season 2021 – 2022

Chairman's Introduction

It is both an honour and a pleasure to be the Chairman of this fantastic community football club. The 2020/21 season has been a challenging one and coping with the Covid-19 crisis has been testing for all our members and our committee. With several enforced periods of non-play due to restrictions, we have had to adapt and be flexible. I am however delighted that in the most part, football seasons were concluded following extension periods being granted by the F.A.

One of our main ambitions is to provide a safe and enjoyable opportunity for children to come together to enjoy the sport and to engage with each other, never has this been more important and I am proud of our club officers and coaching community in their pursuit to provide both physical and psychological benefits.

I would like to thank our brilliant committee members for working tirelessly behind the scenes to ensure that the members of our club can enjoy their football in a safe, fun and enjoyable environment. Special thanks to Gary McEvoy (Secretary) and Bill Jackson (Treasurer) and Ricky Dobbs (Vice Chair) for their efforts throughout the last season, we are very grateful to receive the benefit of their leadership.

On the pitch we enjoyed much success with the u14s Leopards winning their league. The u17s Rams, u17s Cobras and u15s were all runners up in their respective leagues. Well done to the teams and coaches.

Financially, the club made a significant profit again this season. Our income was down, mainly due to the sponsorship holiday that was taken up by the majority of our sponsors impacted by the Covid-19 pandemic. However, this was more than offset by greatly reduced expenditure, with the largest saving being on winter training facilities that were closed during lockdown, the hiring of which is normally the club's biggest single item of expenditure. The club has decided to pass this saving back via to those renewing members who have also been financially hit over the last year via a discount of 30% on subscription rates for the forthcoming season. If any renewing members feel they have not been financially affected by Covid-19 to the same degree and can afford to pay the full subscription rate, the club would be hugely grateful.

For new members and new teams our subscription fees for this coming season will be held at the same rates as last season. Please note the early bird payment offer will be in place for members paying before 31 August.

We would also like to particularly thank Nisa and Computair who stepped up to provide additional financial support, which will be much needed in this coming season.

As we begin to plan for the 2021/22 season, we will once again see Toddington Rovers F.C. provide football for more than 200 local children. There will be two new U7 teams coming from our early year's academy led by Andy Briggs and new coaches Ian White and Simon Holman.

I will close my introduction with details on this year's Steve Spillane award. This trophy is awarded annually at the AGM. It is voted for by the committee and is awarded to a person who has made a significant contribution to the club. I am pleased to inform you that this year the trophy was awarded to Barbara Jackson. Barbara has been with us for many years, serving as the Club Welfare Officer and in 2021 she stepped up to support as our COVID Officer, supporting the club from a policy perspective and coaches from a practical perspective. Barbara has been an incredible asset to the club and we are so lucky to have her. She is a very deserving winner.

I would like to wish you and your children the very best for the coming season.

Best wishes,

Kevin Hydes
Chairman

- Stay behind the touchline and within the Designated Spectators' Area (where provided)

- Respect the facilities home and away.

When working with players, I will:

- Place the well-being, safety and enjoyment of each player above everything
- Never tolerate any form of bullying
- Ensure all activities are suited for the players' ability and age
- Work with others (e.g. officials, doctors, welfare officers, physiotherapists) for each player's best interests.
