**Season 2022 – 2023**

# Chairman's Introduction

It is both an honour and a pleasure to be the Chairman of this fantastic community football club. The 2021/22 season has been a challenging one and continuing to cope with the Covid-19 pandemic at the beginning of the year was testing for all our members and our committee.

One of our main ambitions is to provide a safe and enjoyable opportunity for children to come together to enjoy the sport and to engage with each other, never has this been more important and I am proud of our club officers and coaching community in their pursuit to provide both physical and psychological benefits.

I would like to thank our brilliant committee members for working tirelessly behind the scenes to ensure that the members of our club can enjoy their football in a safe, fun, and enjoyable environment. Special thanks to Gary McEvoy (Secretary) and Bill Jackson (Treasurer) and Ricky Dobbs (Vice Chair) for their efforts throughout the last season, we are very grateful to receive the benefit of their leadership.

On the pitch we enjoyed much success with the U13s Wasps enjoying a League and Cup double and our U18s Cobras winning their league. Special note to the U18s Rams who were runners up in their leagues. Well done to the teams and a big thank you to Paul Garratt and Chris Walsh who have come to the end of grassroots football coaching. You have both been amazing role models and we are grateful for your contribution over the years.

Financially, the season was challenging for us with an end of year loss of £5,276.75. This would have been higher had we not managed to delay some large items of expenditure towards the end of the season. Due to rising costs, regrettably, we have had to increase our subscription fees for this coming season. This is the first rise in over four years, and we have been careful to ensure we can still offer our members great value for money. We have now moved to an online registration and payment provider LoveAdmin. This allows for a choice of payment options, including an early bird payment offer which will be in place for members paying before 31st August or an option to break down the cost into up to five equal monthly instalments.

As we plan for the 2022/23 season, we will once again see Toddington Rovers FC provide football for more than 200 local children. There will be at least one new U7 teams coming from our early year's academy led by our new coach Craig McLellan. We are also thrilled that our Walking Football team and our Adults team are building upon solid starts.

This year made great progress in both player and parent engagement, I am delighted with our initial work carried out on 'Player Voice' led by Louise Cooper and our 'Parent Forum' led by Sarah Malcolm. We are looking to build upon our learnings and continue with these initiatives throughout the new season.

From a development perspective, we have ended the season with initial ground works being completed at the Glebe. As part of our long-term plan, we hope to have more football taking place on the Glebe in the next year or so, with more pitches developed for use. I would like to thank Toddington Parish Council for their support in making this first stage happen. We will have further news to share throughout the next season.

I will close my introduction with details on this year's Steve Spillane award. This trophy is awarded annually at the AGM. It is voted for by the committee and is awarded to a person who has made a significant contribution to the club. I am pleased to inform you that this year the trophy was awarded to Gary McEvoy. Gary has been with us for many years, serving as the Club Secretary for the past 7 years. Gary supports all our football teams with a high level of support and ensures that our club interfaces with all affiliated leagues. Gary works tirelessly for the members and the coaches and we are grateful for the effort he has put into the role year after year. He is a very deserving winner.

I would like to wish all of our members the best of luck for the coming season.

Best wishes,  
*Kevin Hydes*
